

To Our Dear Valued Customers,

We are extremely sorry to inform you that the accommodation is no longer able to be offered as originally detailed in our Winter Wonderland 2019 Queenstown Package. Due to earthquake-proofing the accommodation will be unavailable and has been cancelled outside of our control.

We felt it important to contact you directly to inform you of this change and endeavoured to reach out over the last week, and we thank you for the understanding. Additionally, we must also mention we are unable to provide one of the dinners as initially included, as this was also to be held at the hotel. It is very disappointing to have to let you know that we are unable to meet our initial commitment. After trying to source alternative accommodation unfortunately we have been unable to do so with a group booking of the size required.

As a result, accommodation will be left for you to source.

However, our commitment to the remainder of the event remains unchanged. Still taking place 1st-4th August 2019 our fantastic line up of instructors remains unchanged, where you can see them at one of our 12 huge workshops (6 workshops on both Friday and Saturday), meet and greet and socials. With some of the best internationally recognized choreographers and personalities in line dancing there will be a huge variety of dances for everyone.

We are still running this event and will be offered under three types of passes as detailed below:

Weekend Pass
