

BOOT SCOOTIN' WITH JO

Learn to line dance with a great group of people. Classes range from Absolute Beginners through to Advance level.

The absolute beginners class is designed for those who have never line danced before or those who would like things slowed right down for ultra-easy learning. Absolute Beginners classes focus more on learning individual steps and a couple of easy dances.

The beginner classes are also designed for those new to line dancing and have detailed instruction of steps, but includes more dances than the absolute beginner classes.

Improver classes are designed for those who know the steps with more complex dance routines.

Advanced classes are for experienced dancers.

Dances range from slow gentle waltz's through to boot stomping, kick your heels up American style boot scootin'. Suitable for all fitness levels, there is something for everyone!
