

**MILFORD S.C. LINE DANCERS
ANNUAL HOE DOWN
PHOTO BOOK 2019**

The MSC Line dance Club had their annual Hoe Down - 2019. There was a good turn out of friends who enjoyed a social night of music, dance and great fun!

John and I were thrilled at the support from those special people who came along to share and enjoy an evening with them and we wish to thank each of you. Your support and enthusiasm makes all our efforts all worth while! Valerie & John

Our great Indonesian Group who always turn out for all our parties full of smiles and we love them all - they have become fine dancers! Well done each of you. Our group is a social group and part of the requirements of joining us is not just that you learn to dance but that you take part in as many (as you can) of our 3 social nights and of course our Christmas Show.

Catherine, Tina, Tina's friend, Margaret and Dale watch the floor antics!

Below Selly & Aytie prepare to lead the floor in Cotton Eyed Joe while Val is on the left.

Anthony & Tricia - 2 Friday Nighters. Juvena missed the night as she was still in bed ill so Anthony just popped in to say hello and pass on Juvena's news. Get well soon Juvena - it is rare to have a party without you as you and Anthony always turn out. Below Anne right, Daphne & - Lisa Friday Nighters.

Above Mary, John & Pauline, Below: Ross & Hansi - both are Friday Nighters. Ross is Val & John's eldest grandson and he delighted everyone when he joined his grandparents on the floor to do the fast "Wait A Minute"! Everyone loved it!

Above Mary and her husband David: Below: Letizia left and good friend Jeanette right with our youngest Hoe Downer, Eva, in the centre. Eva is Jeanette's daughter and she is a keen dance club supporter and rarely misses a party!

Dancing sisters - Sharon & Debbie. Both girls are Friday Nighters and Debbie also comes along to the Thursday class. Below class favourites Margaret & Dale, both Thursday girls.

Floor Shots - everyone in action!

Best Hoe Down Couple 2019 Suzanne & Malcolm Both are keen dancers and usually Suzanne is holding her own on the dance floor, but had just had eye surgery the week of the Hoe Down so she was leaving it to Malcolm to take to the floor and do them proud, which he did! What a great sport you are Suzanne for coming and watching and cheering us all on!

Who says we can't dance in line, in step, and in time!? How's this for the perfect line!

Everyone have a great time with John, Mary & Eileen in the foreground, below, Val & John, Jenny, Daphne, etc.....

Yee Haw!

It was great to see everyone take to the floor and have a wonderful time. The dances chosen were easy so everyone could dance them and have fun!
